**MEMORANDUM**

TO: State Board of Education

FROM: Michael P. Flanagan, Chairman 

SUBJECT: Presentation on Child and Adult Nutrition Programs

The Grants Coordination and School Support (GCSS) office is responsible for a wide range of programs that support internal Michigan Department of Education (MDE) functions, such as coordination of grants received by the MDE, as well as external school functions such as pupil transportation, health and safety programs, and nutrition programs. A major portion of the GCSS resources (staff, funding, and time) is devoted to child and adult nutrition.

The GCSS office will present an overview of the Child and Adult Nutrition Programs. Programs to be included in the presentation include National School Lunch, Breakfast, and Afterschool Snacks; Child and Adult Care Food; Commodity Supplemental Food; the Emergency Food Assistance Program; and Summer Food Service. The attached documents provide a summary of these major nutrition programs. The fact sheets are also available on the website at [http://www.michigan.gov/mde/0,4615,7-140-6530\\_6569-252562--,00.html](http://www.michigan.gov/mde/0,4615,7-140-6530_6569-252562--,00.html). They describe the purpose of the programs and give several years of statistics for each of them.

In addition to the programs mentioned above, the presentation will discuss several other programs including Community Eligibility, Summer Electronic Benefit Transfer for Children, Michigan Farm to School, Team Nutrition grants, Fresh Fruit and Vegetable grants, and Food Distribution.

### Child and Adult Care Food Program in Michigan

The Child and Adult Care Food Program (CACFP), like the School Lunch and Breakfast Program, is a federally funded entitlement program designed to assist day care centers, Head Start, outside school hour programs, and family and group day care homes to provide low cost, nutritious meals and snacks for children and adults in care. The program was expanded during fiscal year 1999 to include emergency shelters serving homeless children. At present, Michigan has no adult care programs participating in the CACFP, due to the lack of state licensure for this type of facility.

## Summer Food Service Program in Michigan

The Summer Food Service Program (SFSP) was established to ensure that low income children continue to receive nutritious meals when school is not in session. Free meals, that meet federal nutrition guidelines, are provided to all children at approved SFSP sites in areas with significant concentrations of low income children. This federally funded meal program can be sponsored by public and private non-profit schools, residential camps, colleges or universities participating in the National Youth Sports Program, government agencies, and other private non-profit organizations.

## The Emergency Food Assistance Program (TEFAP) in Michigan

The Emergency Food Assistance Program (TEFAP) is a federal program that helps supplement the diets of low-income persons, by providing them with emergency food and nutrition assistance at no cost. TEFAP is administered locally by 30 agencies and 14 food banks, covering all Michigan counties. It is estimated that more than one million people in Michigan receive TEFAP food each year.
